To Whom It May Concern:

We, Chilton Faith Alliance and Kiel Missionary Alliance churches, have just completed our 7th Annual Sportsmen's Dinner earlier this month. Daryl Christensen along with his wife Sherry, who assisted him, offered their fishing seminar three times during the course of the afternoon. (Their seminar was one of the 18 seminars on various topics given this year.)

Daryl was also our Keynote Featured Inspirational Speaker. The Lord did an outstanding job through Daryl presenting the Gospel in probably the clearest fashion that any of our Inspirational Speakers have ever presented the Gospel message. As a result of the Word going out through Daryl's presentation of the Gospel message, out of over 950 attendees, 62 people indicated that they prayed to receive Christ for the first time in their life and over 40 people wanted additional information about receiving Christ into their life. We consider this a huge success.

Daryl and Sherry are a delight to work with. They are prompt in their communication back and forth. They are very reasonably priced. A person can easily sense that they are not in it for profit, but to merely get the Gospel message out.

On the night of the event, I heard many comments from the leadership team that we need to have Daryl back. Their reasoning for this was not only because of the clear presentation of the Gospel; but how Daryl's testimony related to the target audience.

In short, on a scale of 1 to 10 (10 being the best), I would rate Daryl an 11. As I stated earlier, Daryl has probably been one of the best speakers, if not the best speaker, we have ever had for our event.

Sincerely,

Steven P. Stroobants

To Whom It May Concern:

I would like to take this opportunity to recommend to you Daryl Christensen. I have known Daryl very well for the past 13 years. I had the privilege of seeing Daryl and his family come to Christ in an incredible way. Since that time I have watched as Daryl continued to grow in his relationship with the Lord. I have seen him consistently follow after God through his own personal devotion, grow in His passion to be involved in ministry and faithfully serve his local church and its pastor. Daryl has embraced the incredible move of God's Spirit that has swept through the men of this nation and because of the passion and gifts that he has for the outdoors God has uniquely gifted him to be a part of this movement allowing him the opportunity to impact the lives of men who might not otherwise be reached by conventional ministries.

I have worked with Daryl on several occasions as part of outreach in the local church. He has a passion to see men have a life-changing personal encounter with God! Throughout our relationship Daryl has always been a man of character and integrity. He is a wonderful friend, a co-worker in the Kingdom of God and as well as an awesome ministry resource!

Sincerely,

Rev. Kevin R. Taylor

To whom it may concern,

I would like to heartily endorse the services of Daryl Christensen to you as both a public speaker and as a sportsman. I have had Daryl work several events for me, and he has always done a very good job both in his speaking, and in the professional manner in which he carries himself.

In addition to holding his audience captive, his knowledge as a professional gives him a credibility that I found to be very evident and most welcome. When he shares his Christian testimony, Daryl is very successful in getting his message across that God is his first priority, and it is He to whom Daryl gives credit for not only his skills in the sports world, but in his success as a Christian man as well.

Should you choose to employ the services of Daryl, I am confident that you will be most pleased with his professionalism as well as his Christian demeanor. You may feel free to contact me personally about this recommendation if you like.

Sincerely,

Ron Manske, Sr.

To whom it may concern:

This past year, we had Daryl Christensen as our Keynote Speaker for our 10th Annual Sportsman's Dinner. Daryl was such a blessing to all who heard him. He has a passion for the Lord and a desire to see all men come to the saving knowledge of Jesus Christ.

Daryl was instrumental in leading over 40 men to the Lord that evening through a moving testimony of God's transforming work in his life. I would highly recommend Daryl. The Lord will use this man. 2 Chronicles 16:9a

Sincerely,

To Whom It May Concern,

I have known Daryl Christensen for several months and we have been pleased to have him join us as one of our contributing writers for Wisconsin Christian News. His monthly "Fishin' With A Mission" column has been very well received by our readers, as he uses a lifetime of experience, his own personal testimony and insights gleaned from fishing and God's creation to present modern day parables based on Scriptural truths.

In talking with Daryl, I know that he is a godly man of integrity and that he works hard in his own ministry, sharing the love of Christ with those he meets on a daily basis. He is active in his church, and as long as I have had the pleasure to know him, has always gone above and beyond the call. As an example, when the son of one of our readers was struggling with some personal issues, Daryl took the time to speak with him, doing some telephone counseling and giving encouragement to the young man when it was needed most.

I can heartily endorse the ministry of Daryl Christensen. He would be a blessing to any congregation or special event! Please don't hesitate to call me if I can be of further service or answer any questions.

Sincerely,
